Studio Legale
Avv. Simone Lazzarini

I am a lawyer experienced in administrative and civil law, admitted to plead before the Supreme Court of Cassation.

In administrative law I deal mainly with the environment and public tenders.

In civil law my practice is principally oriented to medical liability, with a particular focus on the protection of the rights of the victims of infected blood transfusions.

I am a legal adviser to a number of patients' associations and my Pro-Bono advisory work has included acting for members in claims before civil and administrative Courts and the ECHR.

My law firm can provide assistance in Italian, English, Bulgarian, French, Spanish, German and Russian
