

**INTERS**  **S**  
**HUMANITARIAN AID**

**INTERSOS** is the Italian humanitarian organization on the first line that works all over the world bringing assistance to people in danger victims of natural disasters and armed conflicts.

We operate in **highly complex contexts**, where accessibility represents the first, difficult challenge to overcome.

We intervene to effectively meet the needs of people in crisis, **with a particular attention to the vulnerable groups, as women and children.**

# OUR VALUES

## **INTERSOS IS AN INDEPENDENT ORGANIZATION, PARTNER WITH THE MAIN INSTITUTIONS AND EU AGENCIES.**

We are part of ICVA, VOICE, LINK2007, and we enjoy of the consultative status at the UN ECOSOC.

## **INTERSOS IS BORDERLESS**

INTERSOS works in full coherence with the principles of the Universal Declaration of Human Rights and the European Convention on Human Rights: it does not make any difference or discrimination whatsoever based on race, gender, religious belief, nationality, ethnic origin or class of people who are in need of help.

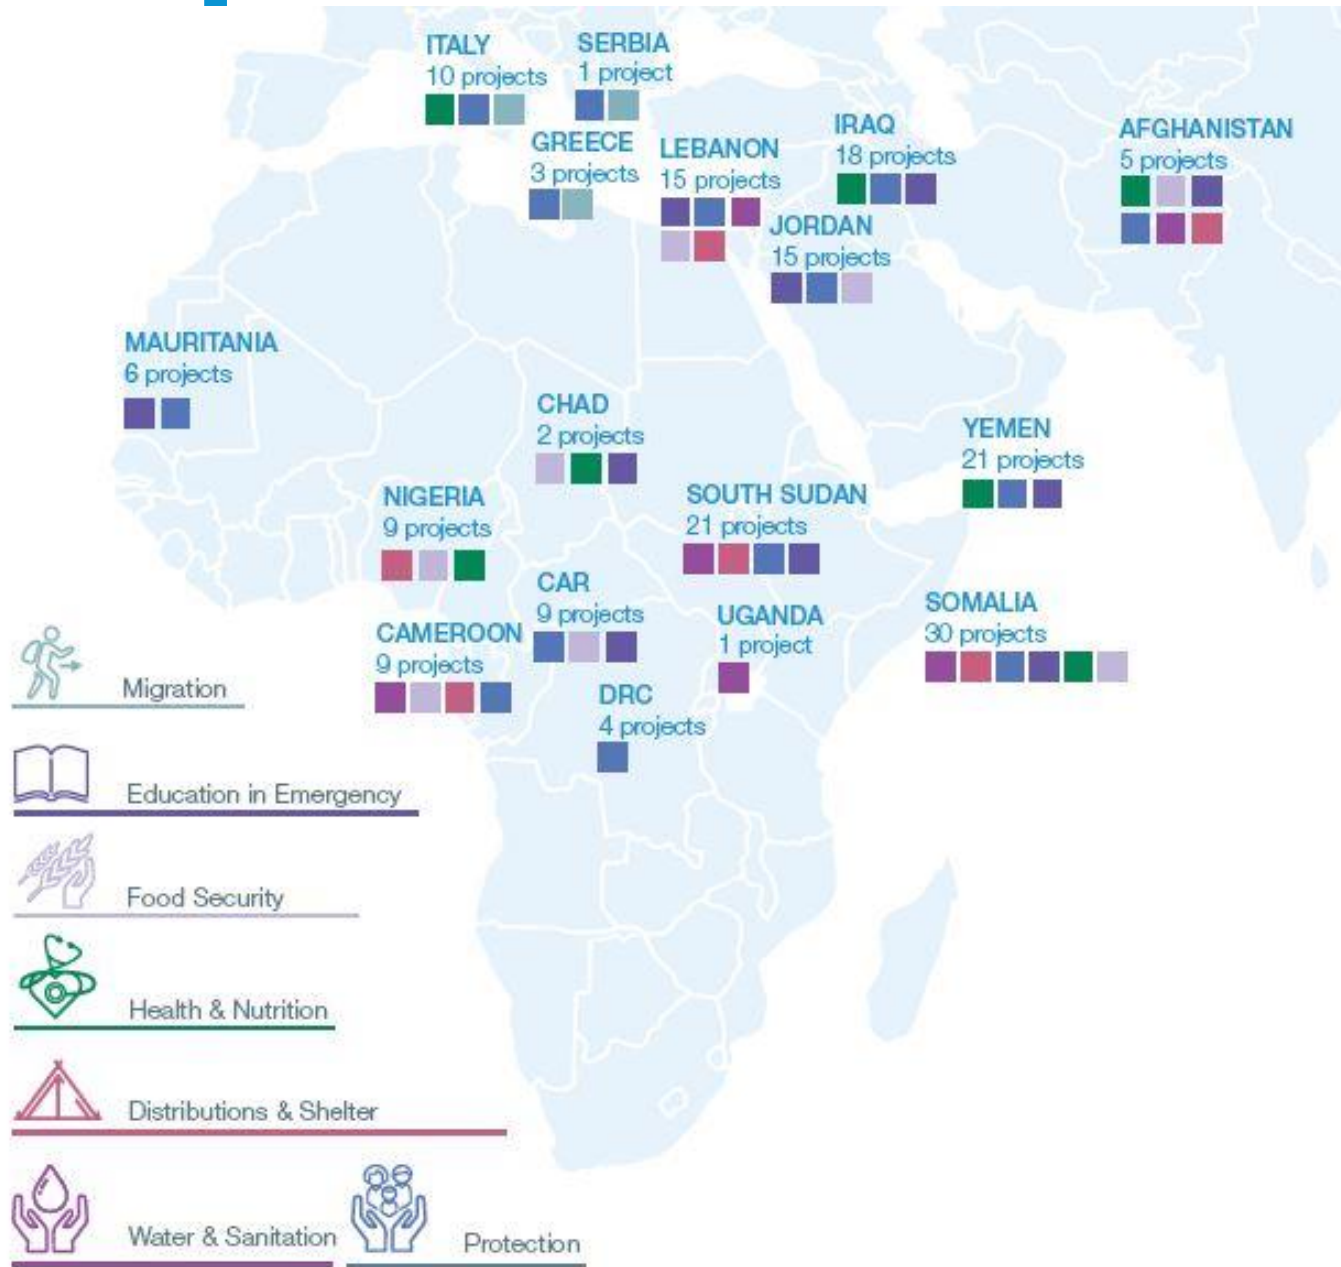

## **IMPARTIAL**

In the eyes of INTERSOS, the victim must be the primary concern in every circumstance, irrespective of any political, religious or social differences or beliefs. Its humanitarian activities are implemented in an impartial manner in respect of whatever population or person at risk, or in circumstances of serious need.

## **INDEPENDENT**

INTERSOS is not controlled by any political or ideological, national or international authority. This freedom of thought and opinion allows INTERSOS to report all human rights' violations and every form of injustice and breach, whilst not being unduly influenced. The same principle of independence determines the standards by which financial donors, both private and public, are chosen.
